DEALERS JAILED

PRISON: Evandilo Gomes

TWO drug dealers have been sentenced following a four-month police operation in east London.

The pair were sentenced alongside eight other men at Snaresbrook Crown Court for their roles in a drug-dealing operation in Newham.

Police investigated the gang after receiving complaints from businesses and community members about drug-dealing, antisocial behaviour and intimidation.

They set up Operation Duntroon to catch the offenders and arrested the men in Stratford, for supplying Class A and B on July 5.

Evandilo Gomes, 26, of St

Andrew's House, Barking, has been sentenced to three years and 10 months in prison for six counts of supplying Class A drugs and two counts of possession with intent to supply Class B drugs.

He was also given a five-year Criminal Behaviour Order.

Rui Santos, 22, of First Avenue, Dagenham, was given a six-month jail term, suspended for two years, after being convicted of three counts of supplying a Class B drug.

He was ordered to carry out 150 hours of community service.

Chief Supt Ade Adelekan, Borough Commander for Newham,

said: "This has been a very successful operation, which has seen a large number of people arrested for being involved in the supply of class A and B drugs.

"We want to reassure the business and the community that dealing drugs in Newham will not be tolerated. Drug dealers are harmful to our communities and take advantage of vulnerable people.

"Our operations against this criminality will be tireless and unwavering until we have dismantled this criminal group and reduced crime within the Stratford and New Town ward."

Two part of £357,000 rare earth metal fraud

TWO men will be sentenced for their part in a rare earth metal fraud worth more than £357,000.

Jeffrey Whiley, 38, of Brackendale Gardens, Upminster, and Mark Sewell, 38, of Christopher Close, Hornchurch, pleaded guilty to two counts of conspiracy to defraud and money laundering at a hearing earlier this year.

Lee Kantor, 42, of Chase Road, Southend, who was described as the "mastermind" of the fraud, was jailed for six years. He had used the alias "James Anderson". Ryan Wilkinson, 46, of The Crofts, Little Wakering, was jailed for 12 months.

Their sentencing is the result of a three-year investigation by Essex Police, who took over the investigation after a referral from the National Fraud Intelligence Bureau, Basildon Crown Court heard.

Two women received a cold call in November 2012 asking them to invest in Denver Trading by buying rare earth metals. Both were told deals would be brokered by a company called Hurst and Lang.

They were directed to a convincing website and brochures. One victim parted with £323,989 and the other £33,929.

They received a small return on their investment, but no further money and no certificates for their rare earth metals. They then reported their concerns to the bureau

Students rise to the challenge of A-level reforms

STUDENTS across the borough are celebrating their A-level results with figures showing 97.9 per cent achieved an A* to E grade – matching the performance of other youngsters nationwide.

The number of pupils receiving top grades A* to A increased at Dagenham Park School by 13 per cent compared to last year, while Robert Clack School and Barking Abbey also recorded increases of 2.4 per cent and 2.3 per cent.

Nearly a third of pupils at Robert Clack School achieved the government's gold standard of AAB or above.

Deputy headteacher of Robert Clack School, Richard Spandl, said: "These young men and women have once again shown that pupils at Robert Clack, proudly a local authority school, are as good as any other pupils in the country."

Eastbrook School recorded a 25.9 per cent rise in A* to C pass rate, increasing from 51 per cent last year to 76.9 per cent this year.

Jo Richardson Community School improved by 6.3 per cent over the same period – registering their best A* to C and A* to B results ever.

Eastbury Community School achieved a 99 per cent A-level results pass rate, with almost half of all grades achieved at A-level being A* to B and one in six A* to A.

"I am very proud of all the students and staff who have worked hard in this more challenging year for A-level exams," said Eastbury headteacher, David Dickson.

The overall performance of pupils achieving A* to B in Barking and Dagenham has increased by 2.1 per cent over the last five years.

This year marks the first year of results for students since reforms to the A-levels format.

Instead of taking exams throughout the course, pupils sit all exams at the end of two years' study.

Cllr Evelyn Carpenter, cabinet member for edu-

SUCCESS: Cllr Evelyn Carpenter with Robert Clack students

cational attainment and school improvement, said: "This is another example of how our borough is full of talented young people with huge potential and it has been a privilege to witness what this day means for them."

"Despite the challenges our students and teachers have faced, as a result of the A-level reforms, their hard work and effort has paid-off with many of our pupils gaining a place at their first-choice university."

"Working together with schools and parents, we will ensure our young people are well educated, have improved employment opportunities and reach their highest aspirations."

More than 90 per cent of schools in Barking and Dagenham have been given a "good" or "outstanding" rating in Ofsted inspections and continue to make improvements.

Two charged with teenager's murder

DEAD: Joshua Bwalya

TWO young men have been remanded after being charged with the murder of Joshua Bwalya in Barking on August 2.

Kareem Lashley-Weekes, 19, of Maryland Park, Stratford, and Ayrton Ambrose, 19, of Glengall Road, Peckham, were both charged with the 16-year-old's murder last week.

They were further charged with two counts of attempt-

ed murder of a 16-year-old boy and man aged 20.

They appeared in custody at Barking Magistrates' Court on August 10 and again at the Old Bailey on August 14.

A trial date has been set for February 5 at the Old Bailey.

An 18-year-old man has been bailed pending further enquiries to a date in September.

ROUTINE EYE TESTS KEY IN DETECTING SIGHT-THREATENING DIABETES

An estimated 3.6 million people across the UK have been diagnosed with Type 1 or Type 2 diabetes - making it one of the fastest growing health conditions affecting the population¹.

The list of long-term health complications associated with diabetes is extensive, with sight loss being one of the biggest issues. Shockingly, people with diabetes are 25 times more at risk of going blind than those without the condition.

Specsavers clinical spokesperson, Dr Nigel Best, says: "Early detection of diabetes is essential for managing the symptoms and preventing more serious complications, like the eye condition diabetic retinopathy."

"Regular eye examinations form a crucial part of this, particularly when it comes to spotting the initial signs that a patient may have diabetes and then managing the impact on their eyesight."

As part of every eye examination for patients over 40, Specsavers incorporates digital retinal photography which takes a photograph of the back of the eye - the only part of the body where the microcirculation of blood can be directly observed. It enables opticians to detect signs of diabetes and wider health conditions. From there, they can refer patients for full medical screenings ahead of potential formal diagnosis.

Specsavers, Diabetes UK and Royal National Institute of Blind People are working together to transform the nation's eye health and reduce avoidable sight loss.

COUNTRY PARK

Now open all year long

We are a privately owned park undergoing re-development into an exclusive adult only site for those who expect quality and excellent service. We offer a superb range of holiday homes for sale as well as our own holiday homes for rent, for short breaks to extended holiday stays.

Situated in a quiet corner of the Blackwater conservation area...

near the popular towns of Maldon and Burnham-on-Crouch. Tucked away in the countryside yet close to the sea. One of the driest and warmest areas in the UK. Watch the wonderful small wildlife on the park. Hours of walks around the Blackwater estuary.
